

Mt. Airy Health Fair  
Presented by:  
4 County Lions Club  
&  
ICARE-4-Mt. Airy

Saturday, March 20, 2010

9:00 am - 4:00 pm

Your organization is invited to participate in a health and wellness event designed to be fun and enlightening for the whole community. We hope to have a wide variety of health and wellness professionals on hand at the event. We will be limiting the number of any health category to two, (i.e. two dentists, two eye doctors, etc.) to encourage the widest variety possible. In an effort to draw in as many people as possible, we would like to encourage vendors to offer free health screenings or other free services to the public. We will also have speakers on hand that day, have a 1 Mile Fun Run, teen area, healthy and delicious foods, and other activities designed to attract the whole family. Vendors will be asked to man their booths from 9:00 to 4:00.

This will be a tremendous service to our community. Thank you for considering participation.
